Dear colleagues and friends,

The 7th Translational DZIF School, which will be held in Lübeck from 25–27 September 2019, is approaching.

With a special focus on translational science, we aim to bring together clinical and basic researchers to discuss latest developments in Infectious Diseases and Clinical Microbiology.

In this year's program major findings from Emerging Infections, Tuberculosis, HIV, Healthcare-associated and Antibiotic-resistant bacterial Infections and Novel Antibiotics will be presented.

Registration via www.dzif-autumn-school.de

We are looking forward to sharing experiences and lively discussions with you!
See you in Lübeck!

Best wishes,
Jan Rupp
